

# REGULATION GOLF FLAGS 旗布

Engineered to maintain their good looks despite long exposure to wind and sunlight.

- Improved fade-resistant colors, thanks to a patented DuPont process.
- Stronger stitching, including bar-tacked corners and four rows of fly-hem stitching; ensures durability in high winds.
- Two weights available: 200 denier and 400 denier.
- Lightweight 200 denier nylon construction makes flags sensitive to even gentle breezes, giving golfers a better determination of wind direction. When durability is more important, look to our heavier-construction, 400 denier flags.
- Tube-style and tie-style flags are available

1

**Solid-Color Flags**  
200/400 Denier

2

**Numbered Flags**
