PROTECT : SPLINTER-FREE RAKE HANDLE

At Par Aide, we're known for innovative products like our full line of top-performing bunker rakes. These rakes have a unique feature that makes a great design even better: the ProTect bunker rake handle.

The ProTect bunker rake handle features:

- Strength you'd expect from traditional fiberglass handles.
- Long-lasting thermoplastic coating that dramatically reduces the chance of fiberglass splinters.
- Fibers that will stay enclosed in any weather condition.
- High-quality UV coating, keeping the rake handle flexible and fade resistant.
- Fits any Par Aide rake head (see below for all options).

So get a better grip on your bunker maintenance. Get your hands on the ProTect rake handle.
